REACH Compliance Statement KORD KING

Tuesday November 8, 2022

European Parliament and Council Regulation official REACH Compliance Statement Rev 2.9 applies to all updates made to the Candidate List of Substances of Very High Concern (SVHC) prior to January 18, 2022.

The purpose of this Regulation is to ensure a high level of protection of human health and the environment, including the promotion of alternative methods for assessment of hazards of substances, as well as the free circulation of substances on the internal market while enhancing competitiveness and innovation.

To the best of our knowledge and based on information from our suppliers, products currently being supplied to our customers are not being manufactured with compounds and substances above the 0.1% threshold by weight listed in the REACH document titled "Candidate List of Substances of Very High Concern for Authorization" list dated January 18th, 2022
